

PETROLEUM SERVICES AGREEMENT

This Agreement is made on the 10th day of March 2025 between:

- 1. OILTECH GHANA LTD.**, a company incorporated under the laws of Ghana (the "Contractor"), and
- 2. GHANA NATIONAL PETROLEUM CORPORATION (GNPC)**, a statutory corporation established under the GNPC Act (the "Client").

1. Scope of Services

The Contractor shall provide offshore drilling services for the Client in the Jubilee Field over a period of twelve (12) months.

2. Local Content Participation

The Contractor agrees that:

- a. A minimum of 40% of the total contract value shall be executed using Ghanaian suppliers.
- b. Local firms shall be given first preference in subcontracting opportunities.
- c. The Contractor shall submit quarterly reports on local content performance to the Petroleum Commission.

3. Tax Compliance

The Contractor affirms that:

- a. All applicable taxes including petroleum income tax under Act 896 shall be paid in accordance with Ghanaian tax laws.
- b. Withholding tax deductions shall be remitted on behalf of subcontractors.
- c. Annual tax returns shall be filed with the Ghana Revenue Authority (GRA) by 30th April of each year.

4. Audit & Inspection

GNPC and its regulators may request contract performance data for audit purposes at any time.

5. Non-Compliance

Failure to adhere to local content or tax requirements shall constitute grounds for contract termination and may result in regulatory penalties.

Signed by both parties under seal.
